“ To the Wade Family

I would like to take this time to express my condolences to the entire family. We are truly sadden to hear about the recent passing of Bessie D. Wade. Our thoughts and prayers are with everyone during this hour of great sadness. Please allow these brief words to provide comfort for your grieving hearts. The words comes from the scriptures, so the words are God's words to all grieving family members. Please take note of this wonderful promise that God makes known to people everywhere the reside. God states that we are near the time when He will restore life back to our departed love. He says that He will call to those in the grave: and that they would hear His voice and stand up in life again. (John 5:28-29) Yes only God can make such a promise, and then carry it out. This promise is a personal guarantee that our departed love ones will stand up in life again. That they would be reunited back with their many family members and friends. Yes what an loving expression of God's love for us. In fact He wants all to have strong faith in His personal promise. So He has preserved nine accounts in the Bible that speaks about this future blessing. Reading such accounts provides comfort now, and soon future blessings for billions of people. Here is just one such example that we encourage all family members and friends to read. It is recorded at Acts 9:36-42. Yes may all keep this promise near your hearts at all time. You will indeed see Bessie again, and billions of others. Remember that we have God's personal promise. Yes it is impossible for God to lie. (Titus 1:2)
