“ To the Dix Family

We are sorry to hear about the passing of Betty Lou Dix. Our thoughts and prayers are with the entire family. Yesw what great pain we experience whenever we lose anyone in death. Death is a clear reminder of how far the human family has fallen from God’s original purpose. Yet the human family is not forgotten about God; and neither is our departed love ones. So what will God do for all the hearts that have mourned over the lost of a love it. Please note this wonderful promise from God. This promise will extend future blessing to those lost in death. God states that He would soon call to those in the grave, and that they would hear His voice and stand up in life again.(John 5:28- 29)

This text serves as a personal guarantee from God that Betty Lou, and billions of others will stand up in life again. Yes only God can make such a promise, and then carry such a promise out to completion. He created us to live and not to die. He wants us to be convinced that this arrangement will indeed take place. So He has preserved nine accounts in the Bible that speaks about the resurrection blessing. Here is just one such example recorded at Acts 9;36-42. Please allow this loving text to provide the family and friends with true comfort from God. So remember this promise. You will see Betty again. We are nearing the time when this arrangement will take place. For God does not lie.(Titus 1:2)
