“ We met Bruce, Janet & Mrs. Martha, Janet's Mom when our Granddaughter Alicia Quall's married their son Edward. This was a meeting that blessed our family and is still providing blessings. We loved Bruce because he was always in a good mood regardless of what he was going through. He was a fantastic grandfather to all his grandchildren and loved every minute he spent with them and they loved him. I loved seeing him interact with Janet & Mrs. Martha with so much love that it just bubbled over to everyone else. The last time I saw Bruce was at a family gathering at our son's house. Bruce & I was standing on the front porch talking and I could tell he was in some pain & he said it is what it is. When we went back inside Bruce was all smiles and jovial and you would never have known of the pain. We loved sharing time with him and will definitely miss him but Heaven has received a very bright light. Shine on through eternity.

“ I met Bruce in 2005, I could tell right off he was a man that would tell you what he thought, I liked that. Being Independent Contractors we didn't have that much contact until we made our 1st team run in May of 2016 to Fargo ND, we left Nashville in shorts and by Indy we realized our mistake, but we did survive. That was the first of many miles we logged over the next 12 or so years, dozens of runs together, Laredo, LA, Omaha, FL, everywhere, we became steady fast friends. Although I'm sure he enjoyed the last year running with Janet, much more than with me, I'll never forget the time we spent together, the closeness, he was more than a friend, he was my brother and I will miss him everyday until we meet again. I love you Bruce, until the morrow

“ Bruce's family and mine were very close friends as my father was the pastor of Krumroy Assembly of God in the 1950's. The Orndorffs and their cousins the Austins were my very close friends along with their extended families. I have many wonderful memories of our time together. I pray that the Lord will grant comfort and peace to all in this time of sorrow and that the assurance of knowing that we will meet again in Heaven will abide in our hearts. Chuck Roop

“ Gina and I have been so blessed to have Bruce and Janet as close friends for many years! We shared many Sunday lunches after church talking, laughing and cutting up with them. Bruce was always quick with a joke and loved to pick at people. We spent many Saturday evenings playing dominos and eating munchies together. I remember one Sunday asking Bruce if they were staying for class? He ask me what the class was about, I told him we were talking about hell he said he wasn't planning on going there so he didn't need to know anything more about it! I love Bruce for his faith, commitment to family and being a good friend. We lost Bruce to soon but as Bruce would have said “ It is what it is”! I miss him already! Save use a table for four! Love you buddy!
