“ Rick and Family, We are sorry to hear about Faye. She was always so enjoyable to talk with when I called or visited. My clown wigs will never look as good again! If the clowns can do anything, please let us know.

“ Rick and Family, We are sad to learn today of Faye's passing. She was so kind to all of us who counted her as a friend. Gary and I felt as though we were part of her family and have missed seeing her in recent months. The trips she made with us and other friends to Las Vegas and the Smokies are some of our favorite memories! We all know she loved to travel! We will miss her and your family is in our thoughts during this difficult time.

“ Rick and family, I'm so sorry to hear of Faye's passing. I've known Faye since we were teenagers and ran around together and eventually became my step sister (Dee Barnes was my dad). I have many memories of her, your dad and Elizabeth and their families. My prayers are with you during this difficult time.
