“ To the Hurley Family, you are and always have been in my prayers. I can not imagine a stronger family than yours. Jennifer was very strong. When I visited her in the hospital she managed to make me laugh even in her pain. She is now completely healed and in a place of complete JOY! Scott I love you, you are my brother. I am so sorry for ya'lls loss.

“ Sorry for the loss of your dear loved one I know it's not easy when you lose a loved one in death. A matter of fact I lost my cousin in death and it's been about 10 years since he died and it still hurts .But we can always keep in mind the hope Jehovah has for us recorded in Revelations 21:3,4 which states that "death will be no more" in his coming Kingdom which will be ruling here on earth in the future. Please check out this website jw.org and you will find an answer to this pertient question "Why is there so much suffering"?
