“ Brother Gregory - You are going to be hearing the phrase "Good job my faithfull servant" from the only voice that matters. You have been a true friend and Brother to me for the entire time that I have known you. You will be impossible to replace and missed by me.

“ To the family,
I knew Odie for over 50 years, his son (Mike) and I graduated from high school together.
He was a close companion with me in the Masonic Lodge and the Scottish Rite.
I am so sorry to hear of his passing, he helped so many during his life that God gave him.
May he Rest In Peace.

So long for now my brother.

“ Odie's commanding voice will be missed in the hall of West Nashville Phoenix lodge, but I am sure the Celestial Lodge above is already taking notice of his presence. Every time I heard Odie perform, I cherished it as one of those great moments when everyone present felt the truest meaning of the words. His slow, deep, clear pronunciation of the words will forever be the benchmark of my own work. Till we meet again Brother.

“ The Voice!!!! Mr. Odie was a class act, always a gentleman. He was a great mentor to many including my husband, Bubba Hayes. Bubba loved to imitate his voice. Prayers for the family.

“ Odie would always say, "if I tell you a rooster dips snuff, you can look under his wing for the can". That is one thing that I always loved about him, you could count on what he said.
