“ Penny was such a kind and loving person. She always took the time to listen and knew exactly what to say to make you feel better. I always enjoyed my time being with her. She loved her family, her precious grand children, and was a true blessing to us all. Time to short for this angel.

“ There's a brand new Angel who was welcomed by loving arms. Heaven has received the gift of a beautiful soul. This world has lost one of the dearest, sweetest, most beautiful people God ever made. Those of us fortunate enough to have known Penny Anthony Banks will forever grieve her loss but will know always that the reason we grieve so deeply is that we loved her so. Penny enriched the lives of all she touched and encouraged us always in our faith. My Dear Friend, for over forty years I've always known you were there for our Dear Friend, Carolyn, for your precious Melaney and Clay, for all your family and friends. I am delighted that you counted me among your friends! Love you forever! Sending hugs and our sympathy, Melaney & Clay. Penny, may you rest peacefully in God's loving arms.
