“ Son, I love you more than words can tell. I will miss you every second of every day for the rest of my life but I am so very, very thankful for the 55 years of love and memories I have. All our family get-togethers for every holiday, birthday and football games. Days spent at the farm with Ma and Pa and granddaddy and grandmother. Watching you and your brother as you played and fought as brothers do. Remembering how when I would ask "OK, who did that" I always got the same answer from you both...."BUBBA DID IT"! All our talks about politics and history and Alabama Crimson Tide. Your own football games with the Inglewood Raiders and then with Steve Smallen and the Goodlettsville Trojans. Seeing your love for Sherrie and the beautiful wedding that united the two of you. Watching you with your own children and their soccer, baseball, football games and Morgan when she was a cheerleader for Tyler's team. And there were also hard and hurting times as we lost great-grandparents and grandparents. And the hardest of all when we learned about Morgan's brain cancer. But we always pulled together as a family and we will again. You and Morgan be watching for one of these days we will all be together again. I LOVE YOU SO MUCH! Mom
