Comments

“ You and Todd were the 1st friends we made when we moved to Tennessee 5 yrs ago. It does not seem like it has been that long. I will miss you and our front porch talks. Gone way too soon. I can't believe you are gone. I think about you every day and what else I could have done for you. Spread your wings. We will see you again someday in heaven. Love, Donna & Jerry Taylor

“ Where do i start ,But i praised you when you went to work for metro parks and especially working under tommy raines and all the funny stories we shared you and todd was there when i was going thur rough times and you always was there for me when i needed my Dr.pepper fixs and cigarette addiction .Knowing that i want get to see you anymore it breaks my heart but now you can have all the Dr.pepper you want.Tammy Hulan God took you way to soon and there will never be a day that goes by that i want think of you.Fly those wings high girl.

Love you always ,Lynette hulan
