“ Willie Wheels ,
A ride in our old Shelby Park , when he and Theresa and the boys lived on Queen Street, It was snowing pretty good and he had a run to get a car off riverside drive , he pulled it out they were on their way and so we're we ,
" Hold on I'm gonna sho you something, off the road we went in the snow banked field and he spun that truck , slid, fishtailed and when he stopped ,looked over at me and said " now that's having some fun , man I can make this ole truck go that's why they call me Willie Wheels , best behind a wrecker as there will ever be is now wheeling it in heaven! I just know it!
A cousin, a friend, and most of all a man who really new love
Theresa , Junior, Donnie and a open door to any one who needed it for a good meal from his dinner table!
You r and will forever be etched in memories of every life you touched because you were real and you truly cared about people for being themselves!
Love you, miss u
God speed your healing love to Theresa , the boys and comfort them
