It was a joy to host your family this fall with the orchestra! Abby was the life of the party with animated questions and reactions! I am so sorry to hear of her passing and for your loss. I cannot imagine your grief. I love having Declan making music with the orchestra. His helpfulness and sense of humor are precious. Know my prayers are with your family.

“ *Abby's beautifully expressive smile is the first thing that comes to mind as I think of her, which makes me smile too as I recall family adventures we shared which now feel even more precious. Trips in the van for target runs on vacation, Abby laughing like crazy as we all tried to park that beast...Northie barking, Declan directing and Norah screaming for Sephora! Getting Abby to the ocean is another for the highlight reel, watching her enjoy the water and her devoted family making it possible was a most special beach day. However possible, team Gowen worked out every detail with Abby's participation front of mind. Whatever is to be faced ahead will be met with the rare beautiful strength that defines them. Love you all.*
