

Alan Graham Henderson

July 9, 1962 - February 19, 2025

Alan Graham Henderson, 62, of Franklin, TN passed away peacefully on February 19, 2025 with his wife Kim and daughters, Molly and Maggie at his side. Alan was born to Lois Morrow Henderson and the late Tomas G. Henderson in San Diego, California.

After graduating from Torrey Pines High School, Alan attended Boise State University where he studied Construction Management and met the love of his life. On July 19, 1986, Alan married Kim Gilbertz, his wife of almost 39 years. Throughout his career, Alan and his family enjoyed living in Detroit, Michigan, Salem, Massachusetts, Irvine, California, Kennewick and Seattle, Washington, and most recently Franklin, Tennessee, making dear and lasting friendships along the way.

Alan will be remembered as a devoted and loving husband, a tender, caring and encouraging father, a gracious son, but most of all, a dear friend to so many. Whether he was on the golf course or traveling for work or pleasure, he never seemed to meet a stranger. He met everyone with a kind and gentle heart, and never missed an opportunity to extend a hand. Alan will be remembered by many and missed by all who had the privilege of knowing him.

Alan is survived by his wife Kim; daughters, Molly (Hampton) Pickard of Nashville, TN and Maggie (Barret) Crawford of Huntsville, AL; and mother, Lois Henderson of Franklin, TN. He is also survived by his sister, Laurie (Bill) Richmond of Phoenix, AZ and sister-in-law Jodie (Paul) Gilbertz-Smith; nieces

Kelly and Allison Richmond, Meagan Smith and nephew Nick Smith.

“ I’m so sorry for your loss. I had the privilege of working with Alan for 15 years and will always remember his warmth, humor, and kind spirit. This sounds trivial, but some of my favorite memories are the times we ran into each other in the various Delta SkyClubs across the country—he always made those moments brighter.

Alan will be deeply missed, but his impact will never be forgotten. My thoughts are with you during this difficult time.

With sympathy,

Mark Duckwall

“ This news of Alan's passing is devastating to Wendy and me.

We were so very blessed to have been able to spend time with this Amazing Human. Lucky for Alan and me; we met through our careers at Genie.

This man was one of huge integrity, with a personality which exuded happiness and pride! A person who made anyone he was with - better!

There are a couple of stories which give me immense pleasure, when thinking of Alan.

Alan was in Calgary for a Customer Golf Event.

We had decided that we would indulge in beverages (aiming juice) for the front 9 holes and lay off on the back 9, so I could drive after the tournament.

Well of course with good intentions this never happened.

After the event, Alan suggested we order an Uber. At that time of the late afternoon, they were expensive, and the wait was long. Being that the golf course was south of the city and relatively close to my house, he said "well let's order Wuber!"

Wendy came to the golf course to pick us up and because of that comment, her License plate on her car is WUBER!

On one other occasion Alan and I were in Vancouver for customer meetings.

After a long day, we decided to meet at the pub attached to the hotel to discuss the day's activities.

While sitting on the corner of the bar (where Alan preferred to sit), the bartender asked us if we were going to the Tom Petty Show that night?

Alan and I looked at each other and at the same time said - No, with a touch of Very Interested in Going, in our expressions.

I instantly called Wendy, as we have an agreement that we only see the Old Rockers together.

Alan spoke to her letting her know that he had not seen him since the late 80's and really would love to see him again.

Could Geoff Please Have Permission?

After 15 minutes of convincing, she gave me the approval!

We made it to the show, had a great time and Petty passed away that summer.

So many Awesome Memories with this Great Man - Alan!!!

Thanks Pal, you will be So Missed!!!

“ *Alan was a great guy! I met him through Paul Smith, we were a Genie account in central Illinois. We developed a great relationship. Alan was a friend first. We played golf together numerous times. I stayed with him in San Diego and Franklin, making me feel welcome each time. I send my deepest condolences to the family. Very sad news to me!*
