“ *Mr. Mason was such a kind man - he always had an answer for everything. I had a long paint scrape on my van and was afraid to go home where anyone could see it. Alison called him to ask his advice and he told her to bring the van over - he spent over an hour rubbing the scrape with who-knows-what, some stuff he had in his garage, and you can't even see where it was now. I tried to pay him - to take him and Alison out to lunch - replace his supplies - he wouldn't let me do anything. He did show me around his house, pointed out the trophies he'd won for his antique cars - other trophies he'd won over the years and talked to me for over an hour. He was fascinating and so proud of his children and grandchildren. He was a Godly man and his loss leaves a big hole in our lives. My thoughts are with you Alison and David, Carol, and Sandra.*

“ What a wonderful neighbor he was to my parents, John (Boonie) & Nelda Perry. Al also was the one person who talked my Dad into allowing me to have my first cat - which when I married & left home - Dad wouldn't allow me to take the cat.

*Thinking of you & your family.*
