“ As I stood beside granddaddy last night at the casket side, it was such a joy to talk with all of Gran’s dear family and friends. Everyone said Gran was so precious, loving, kind, thoughtful, and giving, even those that had only known her a short while. Gran truly made a lasting impression on everyone she met. In hearing all the kind words and memories, I am reminded that my Gran was very intentional in all of her actions. She was genuinely kind, loving, compassionate, and caring. I am thankful for the wonderful example she was and will to continue to be to all of us. As we celebrate her life today, I am rejoicing that she was welcomed home by her Savior and Him saying “well done my good and faithful servant.” Thank you Gran for being such a wonderful example for all of us. You are already missed dearly but I look forward to the day when I will see you again!! I love you so much- April

“ *One of the kindest and most caring women I've ever known. Beautiful inside and out. Will never forget all of the beautiful birthday cakes, sourdough bread, and homemade fudge that you always made for us all. Family reunion at your house, holidays together over the years, etc. I'll love you always Aunt Nita.*

“ *What a blessing to wake up to a snow day! One of my favorite memories with Gran was snow days and snow cream. Gran loved making snow cream and as with anything she made, it was delicious! Making snow cream is a wonderful tradition she passed on to her grandkids and great-grandkids. I bet Gran is enjoying a big bowl of snow cream today and looking down on all of us with so much love and happiness ❤️ I am so thankful to have been blessed with the most precious Gran in the world and for the memories that we made together that will last a lifetime. I love you so much Gran! April*

“ I’m still looking for a picture I know I have of Mrs Cutrell and one of her cakes. Will post as soon as I can find. No celebration was complete without one of her cakes. And you could always see Mr Cutrell right there with her helping however needed. There is so much more. She/they exemplified caring hearts. She also passed on the magical mystery of sourdough starter. All that experienced it will never forget the delight, always given with love. Thankfully that was passed on. Jane & Tim Cottengim
