“ *I was lucky enough to be the grand daughter of this gorgeous lady I have had so many wonderful memories with her but my favorite would have to be her flying to Virginia to spend a week and I always looked forward to singing to her because it always put a smile on her face you will be missed dearly grandma I love you*

“ Ms Alice was always so welcoming! She always had a smile on her face and welcomed me and my little dog. I just used to stop in and say hello since I just live up the street. She will be missed. May God bless your family and hold miss Alice close.

“ We were regular customers of Alice over many years. She was always prepared to sweeten an already good bargain at her store and was a loving person whom we will greatly miss. The jigsaw puzzle table is forever etched in our minds and more than once I would try to slip in a piece, but never very successful, so I just took a snooze in the recliner while Susan shopped...HA! What a fine and honest lady and so good to her customers. Rest now Alice, you deserve it sweet lady! God bless!
