“ *I grew up with Alma. Her family lived next door to us in the country. We shared lots of memories and have talked on the phone often until just recently. I will miss her very much. I am 94 and not able to come to visitation, but I wanted to express my sincere condolences to the family.*

“ Peggy and Family, we are so sorry for your loss. Your Mother was a sweetheart and one of my fondest memories will always be of celebrating Christmas as long time friends at her house last year. I know it was special for her and it will always be a special memory for me.
