“ Anthony and Paulette,  
You gave birth to a beautiful daughter who was such a sweet,  
precious little girl that I named my daughter after her. I am glad that  
I introduced you to each other. without that having happened, God  
wouldv'e found another group of people to bless with Amanda and  
we wouldv'e never known what a great girl she was and never have  
gotten to see her beautiful daughter, Miss Aubrey. I pray that God  
bless you both and give you strength and peace in the days ahead.  
I love you both!

“ Even though I only had the pleasure of knowing Amanda for a short  
time, I saw the the beauty of her inside and out. She was so full of  
life and energy. I met Amanda through her mother; Paulette whom i  
work with and consider my best friend. Paulette is a very loving  
mother and friend, and loved Amanda with all her heart, just as  
Amanda loved her daughter Aubrey. I believe Amanda is in GOD's  
arms know being comforted and she will be the angel looking out for  
Aubrey. I pray that one day when Aubrey is old enough to  
understand what a proud, kind and loving mother Amanda was to  
her and to always keep her Mother alive in her heart and treasure  
the short time they had together, and know how much she was  
loved. I will miss Amanda very much! Paulette and Tony stay strong  
for each other as hard as it will be and know I'm always here for  
you. I love ya'll with all my heart!
