“ *A priceless precious memory that I will forever hold dear to my heart. Growing from children to adulthood, the memories cannot be captured in words. Serenity was our goal that day and serenity is what we accomplished. Cuzzo, you will be greatly missed. We loved you but I know God loved you best. You are forever more at serenity now. Fly high! My sincerest condolences and prayers to the entire family and all who were graced with your presence. Love you to the moon and back ❤️*
