“ *My thoughts & prayers are with you and your family. I pray that God will give you strength during this difficult time. May your memories comfort you.*

Angie was a dear friend that I thought the world of. We worked together in RDU for American Airlines. She was beautiful, sweet and kind to everyone. I feel blessed to have known her and to have had her in my life.

She will always be special to me and I will always remember her beautiful spirit.

God be with you all.

“ *My thoughts and prayers are with you during this difficult time.*

Although it has been many years since Angie and I were close, she was always a ray of sunshine in my life. Our time together at American Airlines in Raleigh and all the fun we had are some of my favor memories. Angie was a bridesmaid in my wedding 14 years ago and her laughter and smile helped calm nerves and the day wouldn't have been the same without her. She even made the entire church laugh with her when she got stuck trying to straighten out my dress.

While I have lost a friend, my heart is with you, her family, and her two beautiful children. Angie touched many lives in so many wonderful ways, mine is simply one.

May her soul be at peace and may time help heal some of the pain of losing her.

*My sincere condolences,
Karen*
