“ *My dear Ann: I will always remember our high school time together. You were always there for me. Our laughs we had. Our vacation and trips together. Time passes so fast and we always think we can get together and, though, we tried were never successful. You being my maid of honor almost 58 years ago and how you laughed about your hot pink gown was adorable. I could not have had a truer friend and you will and have been missed. I think of the poem that was written called The Dash. It so fits you. Love you forever, Marge*

*My Sweet dear Ann. Thank you for the last 15 years you blessed my life. You were a wonderful kind and generous friend. I was a foreigner to this great country of America. You took me under your wing and I learned so much from you. You attended my swearing in as a American Citizen in 2017. I could see the pride in your eyes that day. You were the older sister I had always wanted. I love you and always will. Your beloved birds and cats will be loved and taken care of as we promised. RIP till we are together again.*
