“ *Your mom was such a special person, I guess that's why my mom and her were good friends. I am so sorry for your loss and know that when you lose a mom it's hard, but know that she's resting in the arms of Jesus with my mom. They are having a great reunion.*

“ *Your parting has left such a void, as promised I will try to fill it with good memories, our shared friendship has been such a joy to me and my whole family. I lied and told you I would not grieve for you, but Net our time with you was to brief. You were such a ray of sunshine to all who knew you. I will miss talking to you every day on the phone. I will miss your words of wisdom, encouragement, your thoughtfulness of every one else even when you were the one sick. I could fill this page with all the reasons I love you. I know God only loaned you to us and wanted you back and you are at peace, but it hurts to let go. Heaven has a special Angel now.*  
*Your very lucky friend, Nina*
