“ To the family of Ashlee , there are no words that I can say to comfort you only that God wanted Ashlee home with him now so he picked her to leave this world. She was a beautiful amazing person. I loved how she would sing she had a awesome voice. She can now sing with the country angels up there. God has a plan for Joey and Mylee only he knows his plans but I know he loves them and will comfort them. May God embrace your family and always keep Ashlee's memories alive in your hearts. May God bless all of you

“ Words cannot express the pain and sorrow in my heart. My love and prayers continue to surround Ashlee's family. I will forever hold her in my heart and treasure every memory we made. I loved her as if she were my own and the only peace I have found is in the fact that those were the last words I spoke to her.
