“ Doors were closed and you found me. I will always treasure that day when I received your letter in the mail. I broke down in tears for joy and you found me! I am so sorry I didn't do more to help you. I am so sorry. You were an amazing mother and I will always treasure our long talks, those days we cried together, laughed and shared so many memories. I promise you I will keep those promises I made to you. Until we meet again. I love you, my angel!

And we would talk for hours! I wish I could of talked to you that night! You treated my kids like your own! An you even just took the girls for a sleep over! Gosh this hurts deep! This is still unreal to me! I'm just waiting for you to call an say hey puma one more time! Last Fourth of July the things we said an toasted with each other meant everything! Our secret! I love you so much an I hope to see you again baby girl! Ash you were a true friend! And you'll always be next to my heart!
