“ Ashley, over the past 10 years we have had some GREAT times and some differences. We are family and we will ALWAYS love and remember you. It sucks you left this world and the ones you love WAY TOO SOON. You said you would always be there for Grace and now you can be there and watch her when I can't. You can be that little whisper in her ear. She loves you and always will. Rest In Peace Ashley. Our thoughts and prayers are with you and We Love You. The Furuya Clan

“ Ashley,

I just can't believe you are gone. We were inseparable in high school. I have so many good memories with you that I will cherish forever. I still have so many letters that you wrote me in school and it seems like yesterday. I love you so much and will never forget you and the times we shared.
