

Autumn Suzanne Joiner

January 30, 1994 - September 6, 2024

Autumn “Autie” Suzanne Joiner, 30, passed into Heaven on September 6, 2024. She was born on January 30, 1994 in Tucson, Arizona. She was a beloved daughter. She attended high school at Sabino Canyon and after graduating, received her Bachelor’s degree in film making at the New York Film Academy in Burbank, CA. She was currently residing in Nashville, Tennessee. Autumn had a love for all animals, especially her cat, Han, her dog, Johnnie Walker and her horse, Kansas. She was extremely gifted and talented in music, singing, writing, film making, and painting. She enjoyed traveling and exploring new places, and loved going to Disneyland! Autumn loved spending time with her family and friends camping, playing games, fishing, hiking, being outdoors, and especially riding her horse, Kansas, in the desert. She was always a bright light to everyone. Autumn accepted Jesus into her life at the young age of 5. She is now rejoicing in the presence of her Savior, in His perfect mercy and love for eternity. We look forward to the day when we will join her in the Kingdom of Heaven.

She is survived by her Father: Bryan Joiner (Hanifah); Mother: Belinda Burns (Rob); Maternal Grandmother, Ann Holbert (Ed); Step-brothers, Connor & Brody Burns; Aunts & Uncles: Jaime (Carroll) Frankland, Kim (Frank) Torres, Paul Joiner, Kelly (Marty) Martin, Debbie (Bill) Likewise; and many cousins and friends. She was preceded by Paternal Grandparents, Reverend JC & Nita Joiner; and Maternal Grandfather, Butch Gallop.

“ I am forever grateful for my friendship with Autumn.

We met in film school and immediately became good friends through our shared interests in music, television, and film. It didn't matter if it was some obscure horror film, she and I could always geek out over it. She was one of the few people that truly understood me and I cherish that time in my life. After graduation, when everyone went off to do bigger and better, I'm thankful we stayed in touch - although, not as much as we both would have wished.

Yet, like any great friendship, meeting again after far too long always felt like we'd just seen each other only yesterday. Every moment we shared was a blessing and I know in my heart that every life she touched is filled with warm memories of her.

You will be forever missed, my friend.

“ *Autumn was the first real friend that I made when I moved to Los Angeles. She got me out of my shell and made me feel safe and comfortable in a strange city. We shared many happy moments together. From fishing at Big Bear Lake, seeing Avenged Sevenfold in Northern California, watching movies together, and going to Disneyland. We shared so many adventures and she has had a big impact on my life just as I know she was a beacon of hope for countless others.
I will always cherish her piece of me and the memories we share.*
