“ *Barbara was an amazing woman who never ceased to put a smile on my face. Smart, collected, witty, quick, and fun loving are among the many things I loved about her. She was also genuine, kind, and caring.*

*We worked closely together for several years and got to become very good friends. I'm very glad and grateful that I had the opportunity to become so close to such a fun, dynamic woman.*

*Kenny, you were her world and she loved and cherished you with all of her heart.*

*A part of me shattered into pieces when I discovered this news today.*

“ I send my deepest sympathy to the entire Bryant Family. Always remember the wonderful times that you spent with Barbara. Please find comfort in what the Bible says about the opportunity of seeing Barbara again under the very best of conditions right here on the earth: “There is going to be a resurrection.” Acts 24:15  
For more comfort please go to the following website <https://www.jw.org/en/video-wh...> and then search for "When Someone You Love Dies" Brochure.
