“ Nanny was always kind and gentle. She cared so much about us and loved us unconditionally. I remember so many bedtime stories, singing in harmony at church and so many beautiful memories with her. She was an angel on earth and is now with PeePaw and our family members who have passed. I look forward to seeing her again someday in heaven. I know the garden in heaven will be glorious with her in it! Rest in eternal peace Nanny. I love you. - Ann Marie
