

Barbara J. West

July 22, 1944 - February 27, 2022

Barbara J. West, Age 77, of Nashville, TN, passed away February 27, 2022. She is preceded in death by her 2 brothers, Gerry and Michael Fitzgerald; her first husband, Gary Guidera; and her uncle Bill McAfee. She is survived by her husband, Warren "Pat" West; son, David G. Guidera; half-sister, Diane Pope; grandchildren, Donald Pope and Gwendolyn Pope; niece, Nicole Fitzgerald; and her uncle, Joe Guidera. She grew and went to school in the Los Angeles area. While working for Zellerbach Paper Co, she met her closest friend, Cherie Weeland and her future husband, Pat West. She moved with Pat to Nashville in 1974. Barbara's greatest joy in life came from her role as mother to her son. Her greatest gift to those who knew here was her friendship. She "collected" office supplies off all kinds and c cards for all occasions. (I often told her to open a Hallmark Card Store). She was always available to listen, lend a hand, and laugh. She especially liked to laugh. As a mother, wife or friend, one would be hard pressed to find anyone to compare. No services are planned at this time.

“ *I have just learned of Barbara's passing. I never met her but she was a dear friend to my youngest daughter. She became my friend through texts and messages offering encouragement for my daughter. Condolences to her husband and all that loved her.*

“ I met Barbara in 1954 through my sister. They were best friends & through their friendship, our mother's also became best friends & our families became intertwined for many years with many cherished memories of the 8 of us & our outings & other experiences together. We all attended the same church & church camp. Barb had a wonderful sense of humor & always made us laugh. She gave me my childhood nickname when I was 11 of "Donut" when I was selling doughnuts to raise funds for our school. She called me that for the remainder of her life. Another fond memory was of her & my sisters & her youngest brother having pillow fights on our Murphy Bed trying to knock each other off. Good times, good times. :-) My sisters & I last saw Barbara in 2009 when we visited her in TN. She was the same as she always had been & as we chatted & laughed about old times, time stood still. She was very dear to our family.

“ Barbara was a true friend. We remained in touch over the years no matter how far apart we were. My sisters and I met Barbara in 1954. Sometimes we were neighbors. Even after we lived in different states, the connection was always there. She holds a special place in my heart. My heart goes out to David during this time.
