“ *Barry used to walk past my house on daily,
going to get his Dr Pepper at the village
Pharmacy. We talked every single day except
days that were rainy, or if I was busy. Barry
was a very gentle person, very kind, and I
looked forward to seeing him. He was the second person that I met
here in Old Hickory. I will always appreciate his conversation, his
smile, his quirks and his lighthearted humor. You will sincerely be
missed, Barry. ❤️*
