“ I am so sorry for your loss. I know no words can help at this time. But please know that the "God of all comfort "(2 Corinthians 1:3,4) sees your pain and longs to do something about it. I personally have found comfort from the words at Revelation 21:3,4 and John 5:28,29. I hope that these scriptures can bring you some measure of comfort during this very difficult time.
Deepest sympathy,
Tiffany

“ My sincere condolences to the family of Bemis at this time. It was so shocking to hear of his untimely death. I cannot express in words what a sweet and likeable guy he was. Always at the deli in Donelson Kroger with a smile and made you feel like you were the only one as he waited on you. He will truly be missed and I can say that I will never forget this young man because there are not that many who are as sweet and kind as he was. Such a tragic loss. Thoughts and prayers in his passing.
