“ *I'm saddened to read of your family's loss. Even when no words can ease the pain you feel, please know that my thoughts of sympathy are with. No one should ever have to endure the death of a child. God promises to be a secure refuge in times of distress. Continue to lean on Him for comfort and strength.- Psalm 94:18,19*

“ *I miss you little man. You were just coming around to me and I was already in love. I will never forget your little face or smile or your shyness. I will never forget you or how your smile lit up the room. You gained your wings and it's hard for all of us right now. I love you little bro Bentley. Love your sis Heather*
