“ *We all have dear memories & thoughts of " the SMA MS. BETTY BROOKS". She was noted to have been there for many of us as employees & friends through our years at SUMMIT. However many of us knew her thru the medical world for many years more. We have experienced good & sad times together during years past. Not just myself but the entire SMA FAMILY that we once were. All of our lives & families have been touched by Betty in many aspects. To her family we share our sympathies to you in the loss of your Mother & Grandmother. We all have been blessed by knowing her & sharing life with her. Charlotte Smith Holman of the former SMA .*

“ *I would like to express my heartfelt sympathy to the family for the loss of your dear Betty. I hope that you will find comfort in the words of Jesus at John 5:28,29 where he promised that the day is coming when he is going to resurrect back to life those in the grave. Until then, it is just like they are sleeping. (John 11:11-13) May your family draw strength from Jehovah, the God of all Comfort.*
