“ *Kerri, Burt, Troy and families,  
We wanted to let you know that our prayers are with you all. It seems that words don't come easy at these times in life, but rather the thoughts that we share--the memories of those who have been a part of our lives and the hope that we have of the future. The words of I Thes. 4:13-18, II Cor. 5:1-9 and I Cor. 15:50-58 have always been an inspiration and comfort to us as we have reflected on the memories of those who have graduated this life and the hope of the future. May we share a quote we heard recently "The day we fear is our last; is the first day of eternity".*
