“ I am really going to miss my Aunt Betty. She was a great mother, friend, sister, and aunt. My heart goes out to all of her children. I know it might not offer much comfort, but at least her fight with pain is over. She is with the good Lord now singing with the angels. We will all be together again someday. May the Lord give you all strength in your time of loss.

Love you all very much: Beth Wilkins and Family
