“ Wally, We extend our deepest sympathy to you and your family at the loss of dear sweet Betty. We have so many fond memories of her from the days we worshipped together at Jackson Park Church. She made a beautiful quilt for us as a wedding gift almost 38 years ago. We will always remember her laughter and happy times we had after church services chatting about football games. Thankful to have known your Mom.

“ *JoJo was the name given to Betty Jo by the six grandchildren. JoJo was an excellent cook, especially yeast rolls. Also, she had a terrific laugh that you heard often, especially when she was beating you playing checkers (during our younger years). You never left hungry when she was cooking. JoJo dearly loved Walter Jr. (my father). She is rejoicing to finally be reunited with him in heaven and to be laid to rest next to him. A loving stepdaughter, Lynn*
