“ *My nana was my best friend. She was always here for me. I could always run to her when I needed something or someone to talk to. She's gone to soon. But she's never forgotten. She was love by so many and still is loved by so many. She's always in my heart. Nana life will be hard and empty without u. Life won't be the same. U was always here for everybody. I didn't expect u to go so soon nana. I wish u was still here to hold and laugh with me.. u were the best grandmother anyone could ask for.. I couldn't ask for an Thorpe grandma.. I wish this was just a bad dream and that I could wake up from it.. but unfortunately I can't.. nana i know ur looking down on me.. I just wish u was still here for me to be looking up at u. U taught me the best. U kept me out of trouble. U did everything for me. I'm gonna miss u so much.. please never forget ur baby.*

“ My mother. My best friend. My rock. Always kept my head on straight. I wasn't ready to say goodbye. Know matter how old I get i still need you. You was the best mother anyone could ask for. So caring and giving to any and everyone. If I'm half the woman you was, I will be a success. It's still so unreal. Never thought this day would come. It's the beginning of day three since you left to be our angel. I already miss you so very much.... You are always in my heart and I strive to be as good of person as was. I love you momma RIP and fly high over us!!
