“ *TO the Halliburton Family : Our thoughts and prayers are with you in this difficult time.Billy was a Great man and Mason. He always had a great sense of humor,even to the end.I was able to visit Billy at hospice ,and a young nurse knocked on the door and asked to come in. She told Billy she had to tell him something.He looked at her and said what,am I cured ? She did not know what to say at first,then said ,no I can't say that , but you do get to go home tomorrow.Billy looked at me and winked as he told the nurse that was good news.When she left the room, we both started laughing out loud.He said she was speechless !! will always cherish that last visit I had with Billy.Billy was always very kind and helpful to everyone he met. We will miss him dearly ! GOD BLESS YOU BILLY !*

“ Days at East High were much more fun and enjoyable with Billy around and I appreciate the contacts I had with him in later years as well. His love of music and his devotion to Prof. Campbell and his wife will always remain vivid in my mind. My sympathy to all in the family. Rest in peace, Billy.
