“ My old friend Stan, I was so sorry to hear of your father's passing. It is so hard to let go of our loved ones, but knowing the ultimate peace he will now have is a comfort to ease the hurt. Be thankful you had him this long in your life. You have so many memories to get you through the sad times, think of the fun and laughter when sadness overtakes you. I lost my father when I was 12, I don't have that. You may not think it right now, but, you are lucky to have had that.

*In my prayers,
