“ Thank-you Uncle Bobby for showing that love is meant to be spread and can never be spread too thin, that once the bond has formed, it's always there no matter what...and to love someone is loving who they love. Thank-You for loving ALL of us so much that we never doubted it and always knew you were there. You got to Heaven just in time for daddy's birthday ! He will be excited to talk some Commodores with you! Can't wait to see you again. I'll be in the Big Orange Jersey hopefully also talking of a great season.
