“ I would like to correct a mistake or two, Dad's birthday is September 3rd 1946, he is 65 years old and not 66, his last name is simply Woodard although he had always went by Lane, that was his Grandmothers name. Thank You from my Family and all the ppl that donated and his Girlfriend Sally who I could not have done this without, I love her and she loves my father so much, Thank you for your condolences.
