“ *I met Bobbye Spencer at the Jonesborough Senior Center when she came to work on her genealogy with my husband Pete. Later, we shared a walk with the walkers at the center and lately, she volunteered her time at the Senior Center. She was such a nice person and very willing to help us out. Bobbye enjoyed her time at the center and we enjoyed her time with us. This lovely lady is going to be missed and I hope that the good times spent with her and memories help her family and friends through this painful time. God bless you all!*

“ We knew Bobbye from the Jonesborough Senior Center. She was such a blessing to our staff as a volunteer and alot of fun to go on trips with! We will miss her so much but grateful that God chose to bless us with her frienship before He took her home. Our prayers are with the family.
with love,
