“ *Ma-Ma, I think of you often. I miss you. I struggle at times, with you being gone from your earthy self. I hope you knew how important you were to me, and that just maybe you got to know what those of us who loved you, thought of you. I'll never forget you.*

“ *Our entire family loved Bonnie so much. One of my favorite things was looking at pictures of her childhood home next to the railroad track in the NC Appalachian mountains. Bonnie could do just about anything. She helped me put children's toys together, hang curtains, arrange cabinets etc. She was an excellent cook and seamstress as well as an interesting conversationalist and a person of great wisdom. We had some wonderful times together which Our family will ALWAYS cherish & remember. Bonnie was an important part of our family and the Lord knows we are going to miss her! Rest In Peace, Bonnie, and never forget how much we loved you. With great sorrow, Susan Tuke (and Bob and Andrew and Sarah)*
