“ *May you find comfort from your memories, as well as GOD's word the bible. Some ask the question why do people we love die? At Romans 5:12 says through one man[Adam] sin entered into the world and death through sin, and death spread to all men because they had all sinned. How loving of GOD to promise what is found at Rev.21:3,4 says one day soon all sickness, suffering and death will be gone forever and we will see our love ones again.
