“ *So sorry for your loss. I remember Sharon a little form my childhood but she was a friend and of course relative of ours. Mike, my oldest brother talked of her often before his death. I had a lot of fond memories of her mom and dad as I used to watch the 4th of July parade from their home on Center St. My father Bruce worked with her father Bill as well.*

“ *Dear, Ashley and Family
I am so sorry for your loss, I hope God will guide you through this and replace your tears with the smiles of all the good memories you have of your beautiful mom. I will always remember her as when we were kids. I bought a tree instead of flowers, because this way I feel her memory and beauty will forever grow on.*

*Love,
