“ There is so much disrespect in some of the comments posted here. It breaks my heart to know that Bruce is looking down on all of this drama. How sad this must make him. No doubt, we all love Bruce so lets see if we can celebrate his memory and love in with positive words. I love you, Bruce.

Out of all of these memories and posts about my dad, you decided to comment about being disrespectful. Now that's disrespectful. You must be apart of the real drama starter. How sad.

After a couple years, you just now decided to look my dad up and comment? Let's me know y'all are real bored and still love drama. Yes, my dad is real sad seeing that you came on here just to keep it going.

“ This year for Father’s Day was so difficult. You are missed so much. We love you, dad!

Now, as it comes up on a year that you have been gone, it hurts even more. Time is flying. You are supposed to be here with us. I hope you are having a great time fishing at least.

I Love you

“ Bruce always treated me like a sister instead of a sister-in-law. I am going to miss him dearly, but I know I'll see him again one day. I will treasure all the memories for forever and always ☐ Rest in peace.

“ *Bruce, I'm thinking of you and praying for the family. I sit back and think of all things we got into growing up but we never got anything by Aunt Mary Frances for long. I will never forget us being bus monitors and us getting kicked off the bus. We had told one reason and of course Frances didn't believe us but she found the real reason and man we were in trouble. And of course the rabbits lol I think Loretta got us into that one. Love you and I will always hold our memories in my heart. Love Tammie*

“ *Bruce Johnson you were the best husband a wife could ask for. I sure am going to miss you my love. My heart aches for you but I know you no longer are in pain, and that you are at peace. Till we meet again. Get a good boat and find us a lake with some good catfish.*
