“ Debi, we just wanted to tell you how much we enjoyed the Celebration of Life Service for your Beloved Husband Bruce. It was an honor to have been present and witnessed the love that was felt in that room for you and Bruce.

It was a pleasure meeting your beautiful daughter as she is very likeable just like you. I really do hope we get a chance to meet her again but under different circumstances.

And we also enjoyed meeting Bruce's three sisters. They were outgoing, welcoming and friendly; they treated us like they had known us for years, just like their brother Bruce made Bill and I feel at ASI's Christmas party.

The "multiple" photos on the video of you, Bruce, his "tall-look-a-like" son, his beautiful daughter and the rest of the family members are proof of the love and affection shared by all.

Our Prayers go out to Debi and her Loving Family

Even though we only knew each other for such a short time I enjoyed the conversation and came to know Bruce is a good guy. Looking forward to playing a racquetball game or two up where they don't keep score and all hinders are forgiven...
Many prayers for our Friend and co-worker Debi and the family.

“ *I am deeply saddened by the loss of a good friend and teammate in high school. Bruce was always full of energy and a great athlete. I wish we had stayed in touch over the past 40 years but I never forgot our playing days together. My prayers go out to the wonderful Nash family through this tough time. Darren*
