“ *Sonny raised me my first 9 years or so and was the only dad I ever knew. Some of my best child hood memories are with him. Sitting in his lap in that ugly brown chair watching Bonanza while he ate buttermilk and cornbread from a mason jar. Going to the racetrack on the weekends or the knife and fork on Sundays...i have so many memories. Good Memories. You'll always be my daddy. i love you. Raise a little hell in heaven.*

“ *Mr. Hunter was my neighbor and landlord. I have a lot of respect for him. I remember before I was married , Mr. Hunter looked out for me. He would ask if I felt safe in the house . He expressed that he liked that I had dogs to guard me. He would share his summer garden vegetables and give me good ideas on how use them. I'll miss Mr.Hunter very much. My thoughts and prayers are with his family and friends.*

“ *Mr. Hunter was our neighbor and landlord. I will miss him a lot. A memory I hold dear is when I excitedly shared with him that a momma robin built a nest in the front porch light fixture. He smiled and told me that birds have been building nests there for a long time. That was a great smile.*

“ Our family met Sonny 30+ years ago when he was parking at our campground in Bristol, Tn. That began a wonderful friendship and it was a pleasure knowing him. His warm smile and hilarious personality always made the race weekends so much more enjoyable. He will be missed and we are praying for the family.  
Love,
