“ *Boots was a very kind and good man. He was often times quiet but I soon discovered that "still waters do indeed run deep". I will always remember the many trips we made taking my Mother, "Aunt Lorene", to Prospect, TN to spend time with him and Aunt Maude. Since I was the youngest of 5 children and born when my parents were in their 40's, I was quite a bit younger than either Boots or Aunt Maude, but I soon discovered that "kin" always have something in common and much to talk about. We enjoyed many good times with them and I will never forget them or the good times we spent together.*
