“ *My condolences to the family of Mr. Bryron Bean. He was a true friend to me and very dear to my heart. I met Mr. Bean, I think, in 1990 at Quantum Imaging where he worked as a security guard. He would sometimes bring Mrs. Bean into work with him and I also got to know her as well. He doted on his wife and took such good care of her. After I left Quantum Imaging, Mr. Bean and I corresponded over the years. I am not sure I ever saw him again, but we did speak on the phone a few times until his hearing got so bad that he could not hear on the phone.*

*He was kind, gracious and I am grateful to have known him. I will always hold his memory in my heart. You are missed. Rest in peace, Mr. Bean.*

“ *I remember him as a family man, a patriot, and the most respectable man I ever had the privilege to know. He served his country faithfully in the military, as well as, the post office. He was a teacher, a real estate agent, a shiner, and a lawyer. He was a Christian man who absolutely made the most of his time on this earth and he loved his family and his fellow man. Rest peacefully granddaddy. I love you and I sure miss seeing you.*
