“ I remember meeting Carolyn at City Road UMC around 1991. We hit it off immediately and before long, she was a best friend. We spent many days, evenings and phone calls together pouring out our hearts to each other. I can say with complete confidence that she loved the Lord with all her heart, all her soul and all her mind. She had the ability to make those around her feel like she could send Lucifer back to Hell and lock the gates behind him. I will always remember Carolyn and give thanks for my friendship with her. She remains in my heart forever. ❤️ Margie Broadrick

“ Carolyn was a former coworker at Maplewood high school. I enjoyed talking to her. She was funny and we had lots of laughs together about our daily job and things in general. She will be truly missed. CordeliaHoward.
